your next job (800) 214-0240
www.lineuppci.com

PCI is a State of California licensed contractor specializing in pavement striping, marking and sealcoating of parking lots, streets, airports and playgrounds.

Located in Southern California since 1992, **PCI** proudly serves all of the Greater Southern California area.

PCI has all the specialty equipment and experienced trained personnel to perform any type of striping and marking job for both private and public works agencies. Anywhere there is a need for a stripe or marking, **WE CAN DO IT**. We also believe that there is never a job "too small". We are happy to do any size job.

PCI has established itself in the industry as a true professional and performer, meeting and exceeding tough schedules.
